

Meet The Teacher

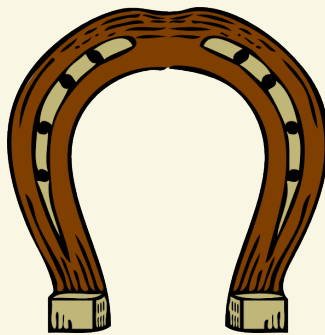

ABOUT

Welcome to the Eighth Grade! I am Heather Warren and will be co-teaching Language Arts with Mrs. Langlois this year. I graduated from UNC Asheville in the spring of 2011 with a Bachelor of Arts in Literature and teaching licenses in Language Arts 6-9 and English 9-12. I have since picked up two additional licensures in 6-9 Social Studies and K-12 Exceptional Children in the General Curriculum.

I am lucky enough to have spent my entire career at Owen Middle School. Prior to this year, I worked six years with Exceptional Children in an Intensive Intervention Classroom. I will truly miss working in that setting, but I am thrilled to have the opportunity to work with your child's class this year. I am looking forward to working on strengthening their reading, writing, and speaking skills and preparing them for high school.

If you have any questions, concerns, or just want to check on your child's progress throughout the school year, please feel free to contact me at any time. The fastest way to reach me is by e-mail, but you can also contact the school and leave me a message. I return most messages and e-mails by 4 pm.

I look forward to working with you and your child this school year!
